

Cleaner – Disinfectant – Sanitiser – Deodoriser

## **GREEN N CLEEN**

Green Cleen has recently developed a new organic heavy duty cleaner and germicide concentrate for the use in their water tanks for the cleaning and disinfecting of the garbage bins.

We aim to make your bin as hygienically clean as possible by only using the best cleaning products available.

**CONTAINS POWERFUL ANTISEPTIC AGENTS TO ENSURE POSITIVE BACTERIA CONTROL**

### **GREEN N CLEEN**

- **Is a potent germ killer, as little as 1ml per litre kills a wide range of disease causing bacteria in five minutes**
- **Gives complete germ control**
- Contains no caustics, solvents or soaps
- Works efficiently in hard or soft water
- Rinses freely to leave no residue
- Is non toxic and harmless to paint, fabrics, or glass
- Can be used on any hard surface
- Is a powerful cleaner. Powerful enough to clean heavy fats and soils.

LET GREEN CLEEN GIVE YOUR BIN THE PROFESSIONAL CLEAN YOU DESERVE.

**THE DIFFERENCE IS OUR PROFESSIONALISM NOT ONLY IN WHAT WE DO BUT HOW WE DO IT AND WHAT WE USE TO DO IT!**
